

Wetsuit Care

Instruction Checklist

- Rinse wetsuit with cold clean water
- Periodically wash with wetsuit specific shampoo
- Turn the wetsuit inside out
- Make sure wetsuit is 100% dry before storage
- Store flat or on a sturdy padded hanger
- If folding fold the following way to avoid splitting at the seams
 - Fold the legs halfway up.
 - Make an X when you fold the arms.
 - Fold the remaining legs over the arms and torso.
- Only use approved lubricants when putting on wetsuit
